**Cancellation Policy No Show Policy
For Doctor Appointments and Surgery**

1. Cancellation/No Show Policy for Doctor Appointment

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment, Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly “full” appointment book.

If an appointment is not cancelled at least 48 hours in advance you will be charged a fifty dollar (\$50) fee; this will not be covered by your insurance company.

We now require a credit card on file for our cancellation policy for every patient, new and existing patient. Your credit card does not get charged if you comply within the 48 hr cancellation/no show policy. Your credit card is secure in our encrypted EHR program.

2. Scheduled Appointments

We understand that delays can happen however we must try to keep the other patients and doctors time.

If a patient is 15 minutes past their scheduled time we will have to reschedule the appointment.

3. Cancellation/ No Show Policy for Surgery

Due to the large block of time needed for surgery, last minute cancellations can cause problems and added expenses for the office.

If surgery is not cancelled at least 10 days in advance you will be charged a seventy five dollar (\$75) fee; this is will not be covered by your insurance company.

4. Account balances

We will require that patients with self pay balances do pay their account balances to zero (0) prior to receiving further services by our practice.

Patients who have questions about their bills or who would like to discuss a payment plan option may call and ask to speak to a business office representative with whom they can review their account and concerns.

Patients with balances over \$100 must make payment arrangements prior to future appointments being made

- If you have no insurance, payment for an office visit is to be paid at the time of the visit.
- Co-payments are due at the time of service. We reserve the right to add a \$25 billing surcharge to all co-payments not paid at the time of the visit.
- We require 48 hour notice for canceling any appointments. There is a \$50 charge for weekday appointments and \$50 charge for Saturday appointments if they are not canceled and you do not show up for the visit, OR if 48 hour notice is not given. As a COURTESY we try to confirm appointments a day or two prior to the visit, BUT IT IS YOUR RESPONSIBILITY TO KNOW THE DAY AND TIME OF YOUR APPOINTMENT.
- A \$20 fee will be charged for any checks returned for insufficient funds, plus any bank fees incurred.

- In an effort to keep down office wait times, if you arrive more than 15 minutes late for your visit, we reserve the right to reschedule the patient's visit.
- When the office is closed, all calls get forwarded to the Doctor's cell phone. There is NO SERVICE and there is NO ABILITY TO LEAVE A MESSAGE. For all non-emergent phone calls such as making an appointment, confirming appointments, forms that need to be filled out, referrals, etc PLEASE CALL MONDAY-SATURDAY after 9am and NOT ON SUNDAYS SINCE THE OFFICE IS CLOSED ON SUNDAYS.
- All patients are required to leave a credit card on file at the time of first appointment. The patient is not charged on their credit card.
